Product Catalogue

Our regular products and common specifications. Actual content, packaging and quantity are subject to mutual confirmation.

#	Product	Common specifications	Packaging	Main uses
01	Soda Ash (Sodium Carbonate)	Industrial: light soda ash, dense soda ash; food grade soda ash	40kg, 750kg, 50kg, 1000kg	Glass making, detergents, printing and dyeing, paper, water treatment; food processing
02	Sodium Bicarbonate	Food grade, industrial grade, feed grade sodium bicarbonate	25kg, 50kg, 1000kg	Food additives, feed, desulphurisation, detergents and household chemicals
03	Caustic Soda Flakes	Industrial grade, food grade caustic soda flakes	25kg, 1000kg	Chemical raw materials, paper, textile printing and dyeing, detergents
04	Industrial Salt (Sodium Chloride)	Refined industrial salt, solar industrial salt	50kg, 25kg, 1000kg	Chlor-alkali, de-icing, printing and dyeing, water softening
05	Anhydrous Sodium Sulphite	Industrial and food grade	25kg, 1000kg	Textile bleaching, reducing agent in paper, oxygen scavenging in water treatment
06	Calcium Chloride	Calcium chloride dihydrate, anhydrous calcium chloride	25kg, 1000kg	Road de-icing, desiccants, refrigeration brine, construction
07	Magnesium Sulphate Heptahydrate	Industrial, food and feed grade	25kg, 50kg, 1000kg	Building materials, agricultural magnesium fertiliser, feed additives, chemical raw materials
08	Sodium Metabisulphite	Industrial and food grade	25kg, 1000kg	Bleaching and preserving in food, printing and dyeing, water treatment, leather making
09	Sodium Bisulphite	Industrial and food grade	25kg, 1000kg	Water treatment, reduction in printing and dyeing, paper, bleaching in food

※ The above are examples of common specifications; specific data, content and packaging are subject to mutual confirmation. For specific data, an inspection report or a sample, contact us and it will be arranged.

Company	Hebei Xihai Trading Co., Ltd.
Established	3 June 2016 · Registered capital RMB 3 million
Licences	Business licence · Hazardous chemicals business licence
Delivery	Shipped across China by road or rail; bulk orders can be delivered to your plant

Buying from us

Tell us product name, specification, packaging and quantity — the quotation is given the same day.

From one bag

Order from a single bag; for small volumes you can try first and scale up once you are happy.

Samples available

Let us know by phone or WeChat once a sample is sent so we can follow it up.

Same-day quotation

Calls answered straight away, messages and WeChat answered within 2 hours, quotation the same day.

Dispatch time

In-stock orders are arranged the same day, normally dispatched within 24–48 hours and shipped within a week.

Payment

Corporate transfer accepted; credit terms negotiable for long-term customers.

Quality and batches

We choose our manufacturing partners carefully and provide inspection documents per batch; food and feed uses are supplied at the matching grade.

Shipping

By road or rail; bulk orders can be delivered to your plant.

Documents

Sample requests, specifications and shipping documents are all handled by email.
